

Attend the Planting

Trees will be planted in either the spring or the fall planting season and will receive professional care. Each tree is guaranteed for three years and will be replaced if it fails to thrive during this period. If you would like to be present at the planting of your memorial tree, please indicate this on the form and a representative will contact you to schedule a date. Along with your memorial tree, the Foundation will provide a certificate of appreciation recognizing your contribution to our beloved parks.

The Gift of Giving

Trees are a gift for a lifetime. Consider purchasing a special tree as:

- An honor marking an achievement or special event
- A tribute in the memory of a loved one
- A distinctive recognition of an individual or family
- To celebrate the arrival of a new family member.
- Anniversary, birthday or any special occasion.

“The true meaning of life is to plant trees, under whose shade you do not expect to sit”

~Nelson Henderson

Tree Order Form

A Gift for Generations

The Generations Tree Program is a cooperative program between the Springfield Parks Foundation and the Springfield Park District. It was created to provide an opportunity for individuals, families, businesses, and groups to establish a living, long-lasting, and beautiful tribute for someone they wish to honor.

Trees are a vital and valuable part of every park environment. These permanent and graceful fixtures make our parks more aesthetically pleasing as well as provide comfort and shade. A tree is not only a gift for today but also a lasting contribution to the beauty and variety of park landscaping.

Tree Selection

The Springfield Parks Foundation is dedicated to preserving and restoring native vegetation within our parks. We have partnered with the Springfield Park District's Arborist to establish an approved tree list that meets this restoration criteria. You may choose your memorial tree from the list that follows. Trees from this list are compatible with and can be placed in any of the parks in our community. The Springfield Parks Foundation and the Park District's Arborist will coordinate the placement of your memorial tree and will make every effort to honor special requests.

Select Type and Number of Trees

_____ White Oak	_____ Bur Oak	Cost: #of trees _____ X \$200/tree = _____ total cost
_____ Black Oak	_____ Chinquapin Oak	
_____ Red Oak	_____ Ohio Buckeye	
_____ Sugar Maple	_____ Kentucky Coffee
